Summary

As a passionate Full Stack Web Developer with a diverse skill set spanning MERN (MongoDB, Express.js, React, Node.js), PHP, MySQL, and Python, I thrive on creating dynamic, scalable, and innovative web applications. My journey in web development has equipped me with a deep understanding of both front-end and back-end technologies, enabling me to tackle complex challenges and deliver seamless user experiences.

With a solid foundation in modern development practices and a commitment to staying current with industry trends, I excel in translating client requirements into robust, efficient solutions. My approach combines technical proficiency with a keen eye for design, ensuring that every project I work on is not only functional but also user-friendly and visually appealing.

Key Highlights:

Full Stack Expertise: Proficient in developing and integrating both client-side and server-side components, ensuring a cohesive and efficient workflow.
MERN Stack Mastery: Leveraging MongoDB, Express.js, React, and Node.js to build high-performance, scalable applications.
Backend Development: Experienced in PHP and MySQL for robust server-side logic and database management.
Python Programming: Utilizing Python for scripting, automation, and data-driven projects, enhancing functionality and efficiency.
Agile Methodologies: Adept at working in agile environments, collaborating closely with teams to deliver projects on time and within scope.
I am driven by a passion for problem-solving and a commitment to continuous learning. Whether it's optimizing performance, enhancing security, or implementing new features, I approach every project with a dedication to excellence and a focus on delivering value.

Let's connect and explore how we can collaborate to turn your digital ideas into reality!

Education

Graphic Era Hill University
Bachelor of Technology - BTech, Computer Science
Aug 2023 - Jul 2027

Education maximum
Advanced diploma in computer Application (ADCA), Computer Application
Aug 2018 - Jul 2019

Skills

MERN Stack   •   Python (Programming Language)   •   C (Programming Language)   •   C++   •   PHP   •
MySQL   •   JavaScript   •   Cascading Style Sheets (CSS)   •   HTML
